Thank You!

I wanted to let the final word in this course be a heartfelt thank you from me to you. It’s no small thing to me that you took the time out of your life to connect with me through Blues Guitar Institute.

I truly hope that this course has helped you smooth out some trouble spots you may have had in your playing. Even more than that, I hope you thoroughly enjoyed learning this material.

This course was a joy to put together and I want to encourage you to use it as a resource to better your playing but beyond that, use me personally as a resource. Your guitar coach.

This site and these lessons are my passion and I’m 100% committed to helping you achieve your goals on the guitar.

I invite you to connect with me through the BGI Community Forums where we can continue the journey.

To your success,
John Hatcher
